NAME: PARTICIPATION IN EDUCATIONAL ACTIVITIES

POLICY: Residents/Fellows are to participate in educational and scholarly activities of their program and are encouraged to participate on institutional committees whose actions affect their education.

PROCEDURES:

Graduate Medical Education programs will ensure that residents/fellows achieve the following:

1. Develop a personal program of learning (Individual Learning Plan) that fosters continued professional growth with guidance from the teaching staff;

2. Participate fully in the educational and scholarly activities of their program as required and assume responsibility for teaching and supervising other house staff members and medical students;

3. Participate on institutional committees whose actions affect their education and/or patient care;

4. Participate in the Quality Improvement/Patient Safety activities conducted in their program, clinical department, and institution;

5. Submit, at least annually, confidential and anonymous written evaluations of the faculty and of the program.
