By the end of this conference, providers should be able to:

- Ability to describe algorithms of Persistent Pulmonary Hypertension of the Newborn (PPHN)
- Describe and understand outcomes of Bronchopulmonary dysplasia – pulmonary hypertension
- Relate clinical stages of necrotizing enterocolitis with radiological and pathological changes
- Appraise current evidence underlying the epidemiological associations of NEC with bacterial dysbiosis and RBC transfusions
- Review the goals of treatment for neonatal abstinence syndrome
- Explore emerging debates regarding optimal management of neonatal abstinence syndrome
- Describe the impact of noxious vs nurturing exposures in the NICU on brain development
- Describe the key vulnerable regions of the preterm brain
- Explain how different monitoring and documentation of apnea of prematurity affects length of stay
- Define potential risks of apnea and intermittent hypoxia to neurodevelopment
- Practice restraint in routine provision of treatments intended to achieve closure of a patent ductus arteriosus
- Differentiate vaccine hesitancy from vaccine refusal
- Advise a family traveling outside the US about vaccines
- Describe the primary components of the EXTEND system
- Discuss potential clinical applications for the EXTEND system

Mission Statement:
St. Christopher's Hospital for Children strives to provide a variety of continuing medical education programs for physicians, physicians-in-training, and other health care professionals that are structured to foster life-long learning by utilizing the principles of adult education. These educational programs are designed to meet specific needs applicable to the rapidly changing healthcare environment.

Accreditation:
St. Christopher’s Hospital for Children is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. St. Christopher’s Hospital for Children designates this live activity for a maximum of 6.25 AMA PRA Category 1 credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.

Nursing Accreditation:
St. Christopher’s Hospital for Children is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Up to 6.1 contact hours will be awarded for participation in this program.

Cancellations and Refunds:
No refunds or cancellations will be issued for this conference. All funds made payable to the St. Christopher’s Foundation for Children will go to support research and education.

Conflict of Interest:
Faculty and all other speakers who have the ability to control the content of continuing medical education activities sponsored by St. Christopher’s Hospital for Children are expected to disclose to the audience whether or not they have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s). Dr. Balsara has disclosed that she is an investor with Uronexus. Any real or apparent conflict of interest has been reviewed and resolved for this activity through the Office for CME disclosure review process. All other speakers, planners and moderators have nothing to disclose for this live event.
A Day With The Newborn: Friday, January 31, 2020

Program Director:
Maria Delivoria-Papadopoulos, MD
Professor of Pediatrics and Physiology, Emeritus
University of Pennsylvania School of Medicine
Professor of Pediatrics, Physiology and OB/GYN
Drexel University College of Medicine
The Ralph W. Brenner Chair in Pediatrics
St. Christopher’s Hospital for Children

7:15 Registration and Coffee

7:45 Welcome
Maria Scenna, MS
Chief Executive Officer
St. Christopher’s Hospital for Children

Introduction:
Owen C. Montgomery, MD
Professor and Chair
Department of Obstetrics and Gynecology
Drexel University College of Medicine

8:00 Current Approach to Pulmonary Hypertension in the Newborn
Robin H. Steinhorn, MD
Professor of Pediatrics
Neonatal-Perinatal Medicine
George Washington University School of Medicine
Senior Vice President
Children’s National Health System
Center for Hospital Based Specialties of Washington

9:00 Refreshment Break

9:30 Necrotizing Enterocolitis: Mechanisms and Perspectives
Akhil Maheshwari, MBBS, MD
Josephine S. Sutland Professor of Newborn Medicine
Director, Division of Neonatology
The John Hopkins University School of Medicine

10:00 Pharmacologic Strategies in Neonatal Abstinence Syndrome
Walter K. Kraft, MD
Professor of Pharmacology, Medicine and Surgery
Director, Clinical Research Unit
Thomas Jefferson University

10:50 Shedding light on Neonatal Brain
Terrie Inder, MBChB, MD
Mary Ellen Avery Professor of Pediatrics in the Field of Newborn Medicine
Harvard Medical School
Chair, Department of Pediatric Newborn Medicine, Brigham and Women’s Hospital

11:30 Apnea, Intermittent Hypoxia and the Preterm Brain
Eric C. Eichenwald, MD
Professor of Pediatrics, Perelman School of Medicine, University of Pennsylvania
Chief, Division of Neonatology
Children’s Hospital of Philadelphia

12:10 Lunch
NICU Tours available – Please sign up

1:30 State of the Art: Patent Ductus Arteriosus in Preterm Infants
William Benitz, MD
Philip Sunshine Professor in Neonatology
Division of Neonatal and Developmental Medicine
Stanford University School of Medicine

2:00 Vaccinations and Global Controversies
Margaret “Meg” C. Fisher, MD
Clinical Professor of Pediatrics
Rutgers Robert Wood Johnson Medical School
Chair of Pediatrics, Monmouth Medical Center
Medical Director, Unterberg Children’s Hospital at Monmouth Medical Center

2:50 Coffee Break

3:10 Artificial Womb: Hope for Premature Babies
Alan W. Flake, MD, FACS, FAAP
Professor of Surgery and Obstetrics and Gynecology, Perelman School of Medicine
Chair of Pediatrics, Monmouth Medical Center
Medical Director, Unterberg Children’s Hospital at Monmouth Medical Center

3:50 At the Point of InterseXYon: Evaluating and Managing the Newborn with Ambiguous Genitalia
Zarine R. Balsara, MD, PhD
Pediatric Urologist, Urology for Children
St. Christopher’s Hospital for Children

4:30 Adjourn
