Waldo E. Nelson, MD (1898-1997)  
Dr. Nelson’s distinguished career spanned nearly seven decades, during which his vision changed the face of pediatrics and, in turn, improved healthcare for the world’s children. He served as the editor and senior editor of the Textbook of Pediatrics for more than 50 years and as editor of the Journal of Pediatrics from 1959 to 1977. Dr. Nelson retired in 1964, after serving as the medical director of St. Christopher’s Hospital for Children for 24 years.
"Physical Urticaria-New Hereditary Etiologies and Up-to-Date Diagnostic Tools and Therapeutic Choices"

Guest Speaker

Hirsh D. Komarow, MD

Laboratory of Allergic Diseases
Principal Investigator and Staff Clinician,
Mast Cell Biology Section
National Institute of Allergy and Infectious Diseases
National Institutes of Health

LEARNING OBJECTIVES: At the conclusion of this activity, participants should be able to

- Describe a mechanistic basis for physically induced urticaria
- Review challenge testing methods and treatment for physical urticaria
- Summarize the genetic and mechanistic basis for vibratory induced urticaria

TARGET AUDIENCE: Physicians, Nurse Practitioners and other Healthcare Professionals

CONTINUING MEDICAL EDUCATION: St. Christopher's Hospital for Children is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. St. Christopher’s Hospital for Children designates this live activity for a maximum of 1 AMA PRA Category 1 credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE: Speakers and all others who have the ability to control the content of continuing medical education activities sponsored by St. Christopher’s Hospital for Children are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s). All planners, moderators and presenters have nothing to disclose for this live event.

There is no fee for this CME lecture or dinner event, but online registration and RSVP are required.
