“Yellow Alert: A Case Based Approach to Neonatal Cholestasis and Pediatric Orthopedic Cases for Primary Care Physicians”

Harpreet Pall, MD
Chief, Gastroenterology, Hepatology, and Nutrition, Associate Chair of Pediatrics for Clinical Affairs
Interim Chief of Pulmonary and Allergy
St. Christopher's Hospital for Children
Associate Professor of Pediatrics
Drexel University College of Medicine

Joseph Rosenblatt, DO
Attending Physician, Orthopedic Center for Children
St. Christopher’s Hospital for Children
Assistant Director, PCOM Orthopedic Residency Program
Assistant Professor of Pediatrics
Drexel University College of Medicine

LEARNING OBJECTIVES: At the conclusion of the activity, participants should be able to:

- Describe the pathophysiologic mechanisms associated with cholestasis in the newborn
- Identify strategies to treat total parenteral nutrition (TPN) associated liver disease in the neonate
- Describe the appropriate work up and management for extremity swelling; infection vs. tumor
- Describe the appropriate work up and management of common pediatric orthopedic cases, i.e., scoliosis and hip dysplasia and clubfoot

TARGET AUDIENCE: Community based physicians (pediatricians and family practitioners), CRNPs, NPs, Pas, MAs

CONTINUING MEDICAL EDUCATION CREDITS: St. Christopher’s Hospital for Children is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. St. Christopher’s Hospital for Children designates this live activity for a maximum of 2 AMA PRA Category 1 credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

DISCLOSURE: Speakers and all others who have the ability to control the content of continuing medical education activities sponsored by St. Christopher’s Hospital for Children are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s). Planners/speakers have nothing to disclose for this live event.

There is no fee for this CME lecture or dinner event. Registration is required. Questions: Shannon J. Mennel, MHA (215) 439-1657
